

EUROPEAN ASSOCIATION OF  
PHARMA BIOTECHNOLOGY

## Sponsoring Science to Market 2010

Business developers from the biotechnology and pharma industry may take the opportunity to foster the companies' pipelines with

**novel pharmaceutical drug and diagnostics projects or  
novel technologies in the field of pharmaceutical drug development.**

Some partners attending the conference might want to have a superior visibility – therefore we offer

### **Sponsoring opportunities**

We welcome any sponsoring of the conference. For every 1000 € sponsoring you will receive free entrance for one participant.

For a total of either 1000 €, 2000 € or 5000 € sponsoring, you will be indicated as silver, gold or platinum sponsor, respectively, in the conference programme, on the EAPB website, and on the conference banner.

If you decide to become a sponsor, please contact Dr. Marion Kronabel ([marion.kronabel@eapb.org](mailto:marion.kronabel@eapb.org)).
